Dear Parent/Carer

As part of your child's GCSE course, there is a significant benefit to completing fieldwork in preparation for their examination. With this in mind, the Geography Department are running a visit to The Holderness Coast, Bridlington, to complete the fieldwork on Tuesday 11 June 2024.

This visit will give students valuable experience to develop fieldwork skills and complete compulsory data collection for their research project required for the GCSE Paper 3 Examination.

We will be travelling by coach and focusing our visit in the centre of Bridlington, as well as on the North and South Beaches. Students will need to wear suitable clothing and footwear for outdoor fieldwork and a packed lunch or money for their own lunch.

We will depart from the Heads Lane site at 9am and anticipate arriving back at school at approximately 4pm, traffic permitting. We will not return in time for the school buses, so students will need to be collected or make their own way home.

We are in a fortunate position to be able to fund this day trip for students, so there is no cost to you. If you would like your child to attend the visit, please complete the consent form [here](#) by **12.30pm on Friday 7 June**. If we do not receive your consent, your child will not be able to attend.

Should you have any queries please contact me on joanne.williamson@hessleacademy.com

Yours faithfully

Mrs J Williamson
Head of Department - Geography
