

Email to Parents

Dear Year 7 parent / carer

Thank you to those parents who have paid/consented for their child to attend the geography coastal trip.

However, due to the trip being heavily over-subscribed, we would be grateful if those parents who were not able to reserve a place, could complete the expression of interest form [HERE](#) by **12:30pm on Friday 20 June**.

Please note the form will open tomorrow (Tuesday) at 6:00pm.

We will contact all parents once the expression of interest form has closed with further details with regards to the trip.

Thank you for your support.

Yours faithfully
The Hessle Academy
