Dear parent / carer

Considering the high temperatures we are currently facing, I wanted to share with you the actions that we are taking as a school to keep students safe and comfortable.

For the rest of this week, it will be 'No Blazer' days. This means that students do not need to bring their blazer to school if they do not wish to. All other uniform should be worn as normal.

We will still expect students to wear their blazer next week, unless told otherwise.

We are also making water more readily available, including the provision of Water tanks on the school field. We expect students to fill up water bottles and use these tanks during breaks and lunchtimes and not when they are expected to be going into lessons. Please ensure that your child has a suitable water bottle with them that they can refill throughout the day.

There is ample shade around the school site and the canteen remains a reasonably cool space for students to socialise during these times.

I am confident that with the actions outlined above, we can continue to enjoy this warm and sunny spell whilst staying safe and comfortable.

If you have any concerns or questions, please do not hesitate to contact us on office@hessleacademy.com

Many thanks for your support.

Yours faithfully

Mr V Groak
Headteacher
