Dear Parent/Carer

We are writing to inform you that the return flight information to Peru has been published on the Camps International Traveller Gateway. We are still waiting for information regarding the internal outgoing flight details from Lima to Cusco, and regarding our travel buddies, which we hope will be Holderness School, so we can team up with their students and Miss Moore.

The Camps International Traveller Gateway has a comprehensive recommended KIT LIST on items to purchase, although items could be borrowed from family and friends. The Gateway has information regarding vaccinations, although when contacting your doctor and booking an appointment for vaccinations, they can give you the most up-to-date guidance.

Across the year we have been fundraising with the aim to raise money towards the travel costs of getting ourselves from school to our departure airport. I am very pleased to say that The Consortium Academy Trust has agreed to contribute the finances needed to pay for our coach travel.

In the new year, once we have our buddy groups, we will arrange a meeting with the parents and students so we can go through all the information we have, including sample itineraries, teambuilding activities and associated risk assessments. This will also provide an opportunity to hand out the fundraised money, which will be distributed across the students.

If you have any questions, please do not hesitate to contact me.

Yours faithfully

Mrs M Edwards
Personal Development Coordinator
