

Everyone can achieve the extraordinary.

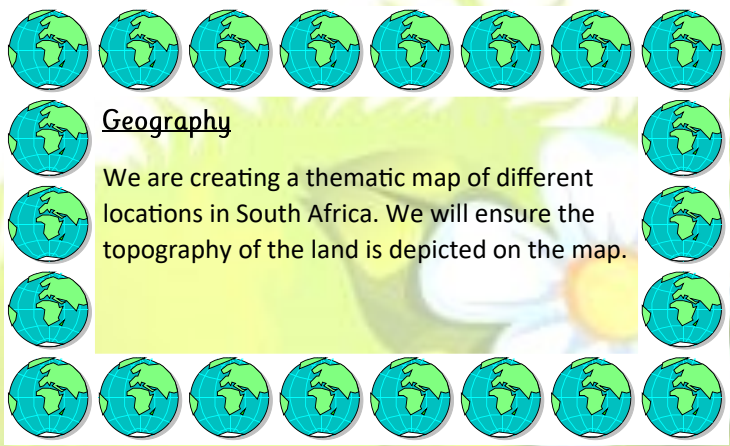

History

We are researching the life of J.R.R Tolkien and explain who influenced him to write The Hobbit.

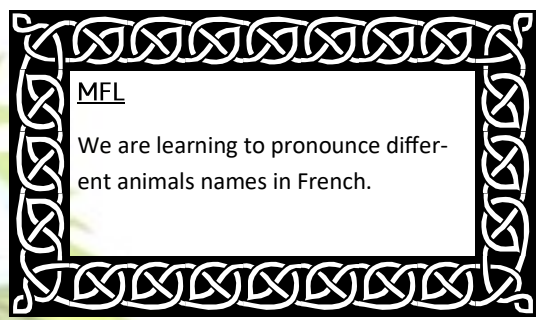

PSHE

We are making links to Bilbo Baggins and what he went through in the book. We will recap on who helped him and guide him when he was uncomfortable or in need.

Geography

We are creating a thematic map of different locations in South Africa. We will ensure the topography of the land is depicted on the map.

MFL

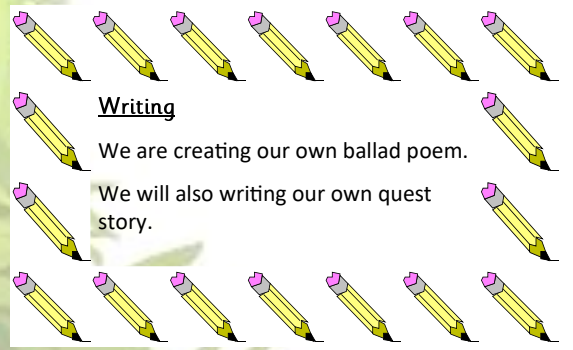

We are learning to pronounce different animals names in French.

Year 5 Nasty Hobbitises

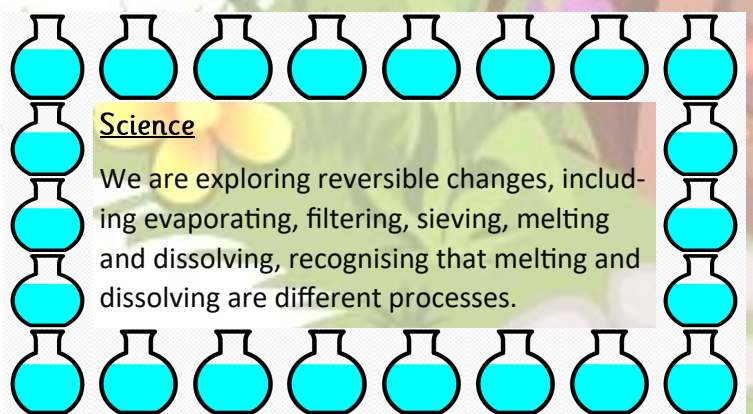

Music

We are appreciating and responding to a variety of genres of music.

Writing

We are creating our own ballad poem. We will also writing our own quest story.

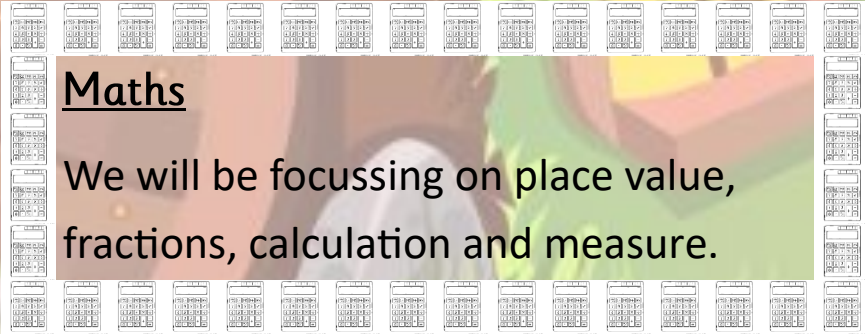

Science

We are exploring reversible changes, including evaporating, filtering, sieving, melting and dissolving, recognising that melting and dissolving are different processes.

Computing

We are using Purple Mash to learn about online safety.

Maths

We will be focussing on place value, fractions, calculation and measure.

RE

We are learning about the Christian festival of Easter.

South African Link

We are asking the children to describe their stereotypical Africa. Then we will look at the settings from The Hobbit and make comparisons.

Art and Design

We are using charcoal to create an image of Smaug eye.
