

Cave Baby

Cave Baby is restless. With mum and dad too busy to play, Cave Baby sets about amusing himself. Unfortunately, nobody except Cave Baby finds these antics very amusing, and he is warned that being naughty will mean 'A mammoth's going to throw you to the big brown bear!' It isn't too long before Cave Baby encounters the mammoth... only to share an unexpected, and very fun, experience.

Key Vocabulary	
Cave Man	Someone who lives in a cave.
Prehistoric	The time before history was recorded.
Glacier	A slowly moving mass of ice.
Ice Age	A period of time when glaciers covered the earth's surface.
Stone Age	The earliest known time when humans were alive. They used stone tools.
Mammoth	The earliest known time when humans were alive. They used stone tools.

The Stone Age

Early man lived in caves and wore animal skins. They hunted wild animals for food and used weapons and tools made from stone. They cooked the meat on open fires.

The Ice Age

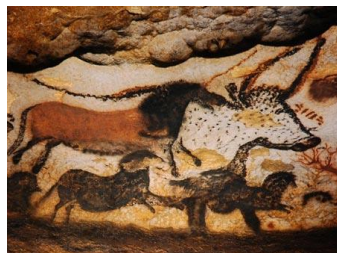

During an ice age, large glaciers cover most of the earth's surface. Large animals such as mammoths, sabre tooth tigers and giant sloths existed in the ice age.

Cave Paintings

Cave paintings were often found on the wall or ceilings of caves. Most cave paintings were of animals or hunters.

They were made using natural pigments or charcoal. Sometimes people would leave hand prints by placing their hand on the wall and blowing paint around it.
