

Revision Techniques

- Mind Mapping / spidergrams
- Flow diagrams
- Rewrite ideas into other words
- Condense – fit notes onto a smaller piece of paper - cut down as you go
- Change diagrams and charts into statements
- Highlight – visual notes help you remember
- Reading aloud to another person
- Speak answers
- Make lists
- Practice past exam papers – against the clock makes you speed up too
- Memorising notes
- Summarising notes
- Read through class notes
- Write out notes again onto revision cards
- Use pictures as a reminder for ideas
- Write the beginnings of paragraph answers
- Listen to GCSEPod
- Record yourself saying your notes then listen again - they're more likely to sink in
- Test - see what you can remember without notes

Find which is the best for you.
