

Email to parents

Dear parent / carer

I write to inform you that there was an extremely high demand for the 2026 Ski Trip to Austria and the places available have now been filled.

As advised in my letter dated 21 October 2026, places were only being made available to other year groups should any places remain. Therefore, this trip will **not** be opened to students in Year 7 this evening.

I appreciate that your child will be disappointed by this news. Any student who made an expression of interest have been placed on our reserve list should a place become available.

Yours faithfully
The Hessle Academy
