Dear parent/carer

We have received information from East Yorkshire Motor Services (EYMS) that Calvert Lane will be closed to all traffic from 16 May 2022 for a period of 8 weeks.

This will have an impact on our service H4 bus which is routed down Calvert Lane. EYMS have recommended an alternative route, that the H4 bus will start the route at Spring Bank West roundabout and will operate in the opposite direction to the normal route. The bus will then travel down Walton Street and Anlaby Road, returning to its normal route towards school.

In light of these changes, the timing of the H4 bus will be brought forward by 10 minutes in anticipation of additional expected traffic. This will also ensure that students sitting exams over the next month will not arrive at school late.

The return journey will use the same route from the school and back towards Spring Bank West.

We appreciate that this is a change to the students schedule, but unfortunately these diversions are unavoidable.

Yours sincerely

Mr V Groak  
Headteacher
