Dear parent/carer

Throughout the year we are pleased to offer our students the opportunity to participate in sporting fixtures. In most cases, these take place within our region (defined as being within approximately one hour's journey from the school site in the Hull & East Riding area as well as the immediate South Bank of the Humber).

Activities

All activities will be supervised by our staff. These activities could include:

- Students walking to and from local schools and sporting venues
- Students participating in and being transported to a sporting fixture to represent the school
- Students being transported to visit one of the other academies within the Consortium School Trust or another school
- Students being transported on the school minibus

Blanket Permission

To avoid unnecessary paperwork, we are asking all parents/carers to give blanket permission for all extra-curricular sporting activities to take place without us having to repeatedly provide information or request consent for individual or frequently repeated activities.

Consents

If you wish to give blanket permission, please log into your Arbor parent portal and search for Consents/Extra Curricular Sporting Fixtures Consent. If you have already consented or declined, you will not see an entry to give your consent. If you have yet to consent, you will see a notice appear.

Emergency Contact/Medical information

Emergency contact and medical information that you have provided is stored on the school's management information system (Arbor) and would be used to contact parents if required.

Possessions

Please note that, in addition, we advise students not to bring large amounts of money, or valuables for sporting fixtures. The Hessle Academy accepts no responsibility for loss or theft of personal possessions and have no arrangements for collection or safe keeping.

If you have not yet activated your parent portal account, please click [here](#)

If you have any queries, please do not hesitate to contact us on office@hessleacademy.com

Kind regards
