Dear parent/carers

We are pleased to inform you that on Friday 8 April, Hessle High School and Sixth Form College will once again be holding an event organised and run by the Prison! Me! No Way! Trust.

The event focuses on a variety of presentations and workshops targeting issues affecting young people today including drugs, the crime prosecution service, anti-social behaviour, fire safety and first aid etc. Though these are sensitive agendas for discussion, the delivery has proved to be very popular with our students in the past, with positive feedback on how they found the experience informative, enjoyable and inspiring.

One of the workshops usually includes input from a low risk prisoner as part of their community reintegration work, towards the end of their sentence. The prisoner's contribution is an integral element of the activity and is always valuable to the day's experience.

The all-day event will start with an initial virtual seminar before students continue the day in smaller groups. Tutor, break and lunchtime arrangements are as usual, and the day will finish at 3pm, so students are able to access their normal travel arrangements.

We would encourage parents to discuss their child's experience after the event.

If you require any further information about any of the issues presented during the event, please contact the school office or visit the PMNW website at www.pmnw.co.uk.

Yours faithfully

Mrs M Edwards
Personal Development Coordinator
