Dear parent / carer

We are pleased to inform you that we will once again, be holding a Crime and Safety Awareness Day run by The No Way Trust Ltd, for all Year 9 students.

The day focuses on a variety of presentations and workshops targeting issues affecting young people today including drugs, the crime prosecution service, anti-social behaviour, fire safety and first aid etc. Though these are sensitive topics for discussion, the delivery has proved to be very popular with our students in the past, with positive feedback on how they found the experience informative, enjoyable and inspiring.

The activities will be held all day on **Friday 27 March 2026** starting with an assembly before students continue in smaller groups. The groups will contain at least two students from the same tutor and the same class, so although your child may not be with their friends, they will be with students they know.

Please note that one of the workshops usually includes input from a low-risk prisoner, as part of their community reintegration work towards the end of their sentence. The prisoner's contribution is an integral element of the workshop and is always a valuable part of the day's experience.

We would encourage parents/carers to discuss their child's experience after the event.

If you require any further information about any of the topics presented during the day, please contact us or visit the PMNW website at www.pmnw.co.uk.

Yours faithfully

Mrs M Edwards
Personal Development Coordinator
