Dear Parent / Carer

In view of the currently very low number of Covid cases in school, we will no longer be requiring students or staff to wear face coverings anywhere in school when they return from the half term break on Monday 28 February.

We will continue to expect students to maintain good personal hygiene and will retain a number of sanitisation stations around the school. This will promote good hygiene in general.

We await further information from the Government with regards to testing and isolation and when we know what this might mean for schools, I will write to you again.

Thank you once again for your ongoing support.

Yours faithfully

Mr V Groak
Headteacher
