Dear parent / carer

As part of the BTEC Tech Award in Digital Information Technology, your child will be completing their Internal Assessment - Component 1 Pearson Set Assignment (PSA) from **Monday 17 February 2025 to Friday 21 March 2025**. This is an internally assessed project that is completed as part of your child's qualification and the grade awarded will be worth 30% of your child's overall final grade.

For the duration of this unit, students will complete a series of tasks provided by the exam board, which will be marked and submitted to the exam board. All work must be completed within the timescale provided by the exam board and within the allocated time.

Over the past few months, students have been preparing for their PSA, including completing a practice PSA this term.

Ways to support your child:

- Ensure students are attending lessons.
- Access revision resources on KnowItAllNinja and Teams.
- Encourage your child to attend after school sessions to access support / catch up on any lessons missed.

Thanks for your support

Yours faithfully
