Secondary – History Group Changes

Dear parent / carer

I am writing to inform you that, with effect from Monday 9 December, a number of students in the 'M' band History classes will be moving groups.

Using recent mock data and "working at" grades (based on classwork and in-class assessments), we have determined that a reorganisation of these two groups will ensure that all students have the best possible support to improve their final grade.

As a department, we are also running intervention sessions on Thursdays after school and will be setting homework on the Seneca platform. Intervention sessions can also be accessed during tutor time, details of which will be finalised before the end of term.

If you have any questions regarding this change, please do not hesitate to contact me on james.fulton@hessleacademy.com

Thank you for your support.

Yours faithfully

Mr J Fulton
Head of Department - History
