

Email to parents

Dear parent / carer

We write to advise that the trip to Thackray Medical Museum on Wednesday 29 January is now full.

However, due to the exceptionally high demand for the visit we are delighted to inform you that we have been able to source an additional day to enable all students to enjoy this experience .

Further details will be sent in due course.

Please do not hesitate to contact Mr Fulton on james.fulton@hessleacademy.com if you have any queries.

Kind regards,
The Hessle Academy
