Subject: Work Experience Placement Form

Dear Parent/Carer

Firstly, thank you to those who have returned their Work Experience Placement Form in time for Friday's deadline. We understand it is not always an easy task sourcing a placement, however we are able to extend the deadline for those students who are still yet to find a placement. The new and final deadline is **Friday 12 April 2024**.

Please make sure completed forms are returned to the student's tutor. If you require a further copy of the form, please can your child ask their tutor for a replacement asap.

Work Experience will take place across 3 days, **Wednesday 3 – Friday 5 July 2024**.

Kind regards

Miss H Lawes
