Subject: FINAL deadline for Year 10 Work Experience Placement Forms

Dear Parent/Carer

Thank you to those parents who have already submitted the Year 10 Work Experience Placement Forms.

A reminder that the **final** deadline is **Friday 12 April 2024**. Completed forms must be returned to the student's tutor. Unfortunately, we cannot accept any forms after this date.

Students who do not participate in work experience will remain in school as normal across the three days, **Wednesday 3 July – Friday 5 July 2024**.

Kind regards
