Dear Student

Mock Interview/Target Setting Day

Thank you for your interest in attending our mock interview and target setting day on Friday 28 January 2022.

The day will consist of a welcome seminar, followed by a brief introduction to your interview team. The interview process will commence at 8.45am and this will be followed up with individual feedback sessions commencing at 10.20am. Please see the full schedule for the day overleaf.

You should by now have received the job profile relating to your interview. Please spend time completing the research form you were also given, researching both the position and the employer, in order to demonstrate your research abilities.

Whilst waiting for your interview, you will remain outside of the room. After your interview please go to the dining hall to complete a self-evaluation form. You should remain in the dining hall so as not to give any advice to the other interviewees. You are all competing for the same job!

We would like to take this opportunity to wish you the best success.

Yours sincerely

Michelle Edwards
Personal Development Coordinator
