## **Our Academy**

The Hessle Academy is one of only 170 all-through schools in the country providing education and support for learners aged 3-19. The Academy comprises Hessle High School and Sixth Form College and Penshurst Primary School.

The Hessle Academy is a member of The Consortium Academy Trust. The Trust supports almost 8,000 children and young people aged 3 to 18, working to ensure an excellent education and learning experience is provided for each and every child and young person. The Academy, located in the East Riding of Yorkshire, primarily serves the East Riding town of Hessle and some parts of West Hull. Smaller groups of learners are drawn into the secondary phase from the neighbouring small towns and villages of East Yorkshire as well as from Barton, in North Lincolnshire. Proximity to the M62 ensures easy access to the motorway network and other major cities in Yorkshire and beyond.

The Hessle Academy is a good and ambitious school. This was recognised by Ofsted in our most recent inspection in September 2018, when the achievement of learners, quality of teaching, behaviour and personal development of learners, leadership and management were all judged to be good. In recent years, outcomes for learners have been consistently above average in terms of attainment and the school is a disciplined and well-organised environment. We have high standards of school dress and have clear expectations on punctuality, attendance and behaviour. Our learners are positive and respond well in all aspects of school life.

The school is a hub of learning with enthusiastic and engaged children who demonstrate a real passion for both work and play.

Penshurst Primary is a larger-than-average school with two/three teaching groups in each year and is heavily over-subscribed. In 2019, 145 applications were received for 70 places into the reception year. The school also offers a nursery which is equally popular with parents. The school occupies a traditional yet extremely attractive series of buildings which are at the heart of the local community set in extensive grounds.

Historically, Hessle High School was a split-site school, however, in January 2016 we took possession of our new single site school. Staff and students alike are now enjoying the benefits of high-quality accommodation, equipped with the latest technology and specialist facilities that are among the best in the region. The Hessle High School and Sixth Form College is set in attractive grounds, located on Heads Lane, with excellent views down the River Humber and across the spectacular Humber Bridge.

The Sixth Form College is focussed on providing high quality teaching and care to secure the best achievement and outcomes for all. As a school, we have a long history of partnership working in this area, being a part of 'The Consortium', a widely recognised successful sixth form partnership with two other local Academies. Students are able to study at Hessle as well as having the option to study subjects at either of the other Consortium Academies.

The Sixth Form is based in the historic Tranby House, a Grade II listed building that was fully refurbished and brought back to its former splendour in our recent renovation. Tranby House now comprises a Sixth Form social area and catering facilities as well as extensive study facilities. Sixth Form students play a full role in the life of the school, but equally will continue to enjoy the advantages of this dedicated provision.

The teaching staff are extremely dedicated to maximising the potential of the children in their care. Most have worked at the school for many years and have sent their own children to the Academy. The atmosphere is supportive and friendly, many visitors and staff often remark that 'it feels like an extended family'.

The Academy prides itself on the wide range of extra-curricular opportunities offered to our learners. Annually, learners take part in over 300 teams, clubs, and events.

The Hessle Academy enjoys an excellent reputation amongst the local community and is a popular choice amongst parents. During our recent Ofsted inspection, a response to the Parent Survey commented that;

*“All the staff from the headteacher to the caretaker seem to genuinely care for the children from a pastoral care and academic point of view”.*

## Our Trust

At The Consortium Academy Trust, we are ambitious about the future - creating learning environments and excellence in teaching and learning that provide our children and young people with the best chance at a successful future. Coupled with this is the commitment, care and investment in our people who we believe are our greatest asset.

Our vision is Shaping Positive Futures as we strongly believe our sole purpose is supporting children and young people to achieve their ambitions. This vision gives us a shared sense of purpose and direction and is something we are all proud to be a part of. Across our community of nine schools our people are doing remarkable things by being fully engaged in work that transforms lives, supporting children and young people to grow in confidence and develop into citizens we are proud of. Our community of leaders, teachers and support staff work collaboratively to tackle some of society’s most critical challenges.

Our values – aspiration, respect, integrity and responsibility – harness our belief that it is not just what we do, but how we do it that makes a difference. These values reflect who we are and how we work to create a culture for success, as we continue to evolve to ensure that we meet the needs of our children and young people, colleagues and partners both now and in the future.

**Our Vision:** Shaping Positive Futures

**Our Mission:**

We put our children and young people first. We have a supportive, yet challenging environment to allow everyone in our Trust community to:

- flourish and believe that they have every chance of success.
- work together so that they can achieve more than can be done individually.
- work within a supportive culture where taking appropriate risk is seen as a strength.
- be proud of themselves, their peers, our schools, and our local communities.

**Our Strategic Priorities:**

THE CONSORTIUM  
ACADEMY TRUST

Shaping Positive Futures

**Our Values:**

### Aspiration

We are ambitious, we aim high for ourselves and for others and we believe that we can make a real difference.

### Respect

We respect ourselves and each other. We respect our diverse environment and community.

### Integrity

We are honest with ourselves and each other. We do things for the right reasons.

### Responsibility

We take responsibility for everything we do and see mistakes as an opportunity to improve and to get things right next time.

## Values and Vision

*"Everyone can achieve the extraordinary"*

Our Vision for Our People:

These set of six core principles underpin everything that we do. They guide our behaviour and our decision-making. They are timeless, unchanging statements of what we believe to be important.

Our Values and Vision have been inspired by all of our learners and staff. They are important to us and they will guide our behaviour and decision-making.

The Academy Values and Vision are displayed prominently around our Academy and are shared with our parents, staff and stakeholders at every opportunity.

## **New Staff and Early Career Teachers**

All new staff benefit from a comprehensive induction programme that ensures a smooth start to your career at the Hessle Academy.

Early career teachers benefit from an extensive and well-regarded support programme, led by our Teaching and Learning Lead Practitioner. This weekly twilight programme is fully supported by members of SLT and other staff with a wide range of experience in the school.

New, but more experienced, colleagues will also benefit from our 'buddy' programme whereby all new staff work closely with an existing member of staff to ensure that you can quickly and smoothly become familiar with how things are done at Hessle!

## **Staff Development and Wellbeing**

Staff Development and Wellbeing is a Strategic Development Priority at Hessle. We know that, in order to deliver continued quality education for our young people, our staff need to be well-trained, dedicated, energised and happy. In addition, we expect everyone in our school to want to get better, from learners to teachers to support staff to senior leaders. That is our ethos.

To that end, our CPD programme encourages staff to take responsibility for their own developmental priorities, fully supported by the Senior Leadership Team and subject leaders. Staff training sessions are led by the staff themselves through teaching and learning groups. Under our ethos of continual improvement, even our most experienced teachers are keen to learn and do so in mutually supportive learning environments, where newly qualified teachers and others in the early stages of their career are just as likely to lead pedagogical discussions and training. During the Covid pandemic and lockdowns, the teaching staff adjusted their practice to incorporate blended learning and live teaching; this monumental change and upskilling was planned, delivered and evaluated by classroom teachers themselves, with minimal input from senior leaders.

Staff Wellbeing is a crucial consideration in all decision-making, including how we undertake lesson observations, our marking policy and meeting schedules. Throughout the pandemic, we have placed our trust in our staff to provide the very best education for our learners and they have delivered an exceptional programme of study, consistently looking to find improvements. The success of this was reflected in a Parent Survey conducted by our Trust which commended both the online provision, parental communication and student feedback.

Staff wellbeing surveys are carried out regularly and there is an effective staff wellbeing group which looks for ways in which we can adjust our operation to improve wellbeing without compromising standards. Staff retention is very high and the school typically attracts high quality fields whenever a vacancy arises.

Our staff work hard; they are fully committed to providing the best education for our young people and recognise the well-known phrase;

*"It won't be easy, but it will be worth it."*
