

It’s Never Dull In Hull

Kingston upon Hull, usually shortened to Hull, is a port city in the East Riding of Yorkshire, north-eastern England. It lies upon the River Hull at the point where it joins with the Humber Estuary, 25 miles (40 km) inland from the North Sea. Because it is a port city, it is famous for its fishing heritage, and every 2 years, it hosts Hull Fair, a popular family event that started over 700 years ago in 1278!
