Dear Parents/Carers

To celebrate World Oceans Day on Monday 8 June 2026, we are inviting **all** children to take part in a fun home challenge.

Children are encouraged to create something inspired by the ocean. This could be:

- An ocean biome or habitat
- A model of a specific ocean
- An underwater scene
- A sea creature made from recyclable materials
- A poster, collage, painting, or sculpture
- Anything creative linked to oceans and sea life

We would love children to use their imagination and, where possible, include recycled materials in their creations.

Please bring completed projects into school during the week beginning Monday 8 June 2026, please hand all entries to the class teachers.

There will be winners chosen from:

- Foundation Stage
- Key Stage 1
- Key Stage 2

We can't wait to see all of the amazing ocean-themed creations!

Thank you for your continued support.

Yours faithfully

Miss C Coates
Class Teacher
