6 November 2023  
**Primary – Year 4 Assessment**

Dear Parent/Carer

As part of statutory testing, all children in Year 4 will be required to sit a Multiplication Tables Check (MTC) at the end of the academic year.

The MTC is an on-screen assessment designed to determine whether pupils can fluently recall their multiplication tables up to 12, through a set of timed questions.

We would like to invite parents/carers to an information evening regarding the MTC on Thursday 16 November. The session will enable Year 4 parent/carers to become familiar with the expectations surrounding the MTC and provide advice on how best to support your child in the lead up to this.

For your convenience, there will be two sessions: 3.30pm and 5.30pm. Sessions will last approximately 30 minutes. We would be grateful if you could complete this [form](#) to indicate which session you would prefer to attend. We ask kindly that younger siblings do not attend this session if at all possible.

Thank you for your ongoing support.

Yours faithfully

Miss L Dinsdale  
Maths Lead
