Subject: Harry Potter Trip Reminder

Dear Parent/Carer

Excitement is building as the day for the Harry Potter trip is quickly approaching.

For your information, please see our original letter [here](#) with full details.

A polite reminder as we are setting off incredibly early, please be mindful of the noise when arriving at school so as not to disturb the neighbours. Staff will be available outside the school gates to assist with the smooth running of arrivals.

Yours faithfully
Year 5 Team
