Dear Parents/Carers

I am writing to share an update about your child's class. Following a review of staffing arrangements across school, Mr Thorp will be moving to a different role within school. From the start of the new term your child's class will be taught by Miss Loveridge and Miss Dinsdale. Both are highly experienced teachers who are committed to ensuring continuity and high-quality learning for your child. We are confident that this change will provide positive and supportive experience for all pupils in the class.

As a result of Mr Thorp's outstanding teaching, 2NT are in a strong position both academically and socially, and this change allows us to use staff expertise where it is most needed.

Both Miss Loveridge and Miss Dinsdale are members of the senior leadership team and bring a wealth of Year 2 teaching experience. They know the children and school really well and I am confident that they will be able to pick up seamlessly from Mr Thorp, building on the firm foundations established this term.

A comprehensive and robust transition handover is currently taking place to ensure continuity of learning and care for the children. The senior leadership team will continue to monitor the class closely to ensure that pupils remain well supported and continue to make good progress. I am confident that the new teachers will quickly build positive relationships with the children.

If you have any concerns or would like to discuss matters relating to your individual child, please do not hesitate to get in touch.

Thank you for your continued support. Wishing you a very Merry Christmas and a Happy New Year - we look forward to welcoming the children back in January.

Yours faithfully

Mrs C Shiels  
Headteacher
