Subject: Year 4 Design and Technology

Dear Parent/Carer

During the last two weeks of this term, our Year 4 will be continuing with their design and technology project. The project is textiles, and the children are focussing on the question 'How do you keep a tea towel from slipping off a hook?'

Please could you provide your child with an old tea towel to use for this project by **Friday 15 March**. The tea towels will be used for sewing.

Once the project is finished, children will be able to bring their final pieces home.

Kind regards
Year 4 Team
