

# Year 3 - Volatile Volcanoes

## SCIENCE

This half term, we will be learning about different types of rocks and how they are formed.

## HISTORY

We will be learning about Vikings and the time period that they belonged to. We will also be looking at Viking artefacts.

## Maths

This half term, we will be learning a range of skills including multiplication and division, data handling and area and perimeter.

## GEOGRAPHY

In Geography, we will be locating the Equator, Northern and Southern Hemisphere and the Arctic and Antarctic Circles. We will also be learning how a volcano works.

## PSHE

Whilst learning about Vikings, we will be looking at how and why we should keep ourselves clean.

## Languages

We are using I Languages to learn basic phrases and skills in French.

## RE

This half term, we will be learning about the Hindu festival of Diwali and the Christian celebration of Christmas.

## Literacy

In Literacy this half term, we will be composing a set of instructions and a story setting.

## PE

We will be strengthening our sending and returning skills in PE.

## Music

We will be using the Music Express scheme of work to explore sounds, beats and pitch.

## Computing

We will be learning how to code in computing this half term.

## Art & Design

After using sketchbooks to record and develop our ideas, we will be creating Viking shields using papier mache.

Everyone can achieve the extraordinary.

South Africa Links

We will be looking at volcanoes in Africa and how eruptions have affected residents in the area.
