

Year 2

Her Majesty

Maths

In Maths this half term, we will keep focusing on multiplication and division and begin to look at measurement.

Literacy

In Literacy, we will be writing a character description and a historical recount.

Science

In Science, we will be looking at the topic of plants including how they grow, their life cycles and what a botanist is.

History

We are going to be looking at the history of the Royal Family with Queen Elizabeth II's coronation, and a comparison between Queen Elizabeth I and Queen Victoria.

Geography

This term, we are going to be studying the Royal residences and their location within the UK. We will also have a focus on London as the Capital City and how the land is used.

Art & Design

We are going to be looking at the work of sculptor Frances Segelman. We will be applying what we learn to sculpt a member of the Royal family, using clay.

RE

This term we will be looking at how Christians answer Big Questions and why the rites of passage are important in a Jewish person's life.

PSHE

We will be looking at bullying. What is it? What to do if you see it happening and how to recognise it.
We will also be looking at different forms of media.

RSE

We will be revisiting the importance of sleep and our friendships and understanding what marriage represents.

PE

In PE, we are going to be learning the skills of attacking, defending and shooting before applying these to games.

Computing

This term we will be beginning to learn about coding.

Music

Following Music Express, we will be learning about pitch and using this to help us create our own piece of music with varying pitch throughout.

Languages

We will be continuing to learn French by increasing our vocabulary and learning how to respond to questions.

Global Awareness

How does the Royal Family help the Global Goals? From charity work to bringing awareness and ideas about sustainability, we will be looking at their work and impact.

South Africa Links

Does South Africa have a Royal Family? Are there any royal residences in South Africa? That is what we will be trying to find out as we move throughout this term.
