

# Year 6 - A Million Dreams

## RE

We will be looking at the festival of Diwali, celebrated by the Hindu faith and also looking at 'Living in a Faith' and what it means to follow a religion.

## PSHE

This theme, we will look at issues such as discrimination, bullying and being tolerant of people's differences.

## PE

This half term, we will be focusing on fitness and team games.

## SCIENCE

This half term, we will be looking at the topic of Evolution and Inheritance. This will include looking at fossils and how animals evolve and adapt.

## LITERACY

We will be writing a story to create suspense and tension, as well as writing a diary linked our lead text—Wild Boy.

## MUSIC

We are looking at the beats, patterns and syncopation in songs.

## GEOGRAPHY

We will be learning how to read a 4 and 6-figure grid reference, and understand how Ordnance Survey maps are made and read.

## MATHS

We are focusing on number and fraction work in order to build on basic mathematical concepts.

## COMPUTING

Using Purple Mash, we are working on Spreadsheets.

## HISTORY

We will be looking at the history of the circus from Medieval times to modern day.

## LANGUAGES

We are learning Spanish this year, looking at greetings and different animals this half term.

## ART and DESIGN

This half term, we will be exploring different media and evaluating which we prefer to use to create posters.

Everyone can achieve the extraordinary.

### South Africa Links

We will be looking at South Africa's laws on animal rights and comparing them with those in Britain.
