

The Great Adventure

Marinka dreams of a normal life, where her house stays in one place long enough for her to make friends. But her house has chicken legs and moves on without warning.

For Marinka's grandmother is Baby Yaga, who guides spirits between this world and the next. Marinka longs to change her destiny and sets out to break free from her grandmother's footsteps, but her house has other ideas.

Key Vocabulary	
Climate Zone	Where there are similar weather patterns this is known as a climate zone.
Biome	A large naturally occurring community of flora (plants) and fauna (animals) occupying a major habitat, e.g. forest.
