The Governors of The Hessle Academy have a clear Uniform Policy for Penshurst Primary School. The clearly defined policy requires all pupils to wear the approved school uniform when at school and to any school function where it is considered appropriate.

The wearing of uniform enables the children to feel a sense of pride and belonging to their school community. The wearing of uniform also gives clear expectations to ensure health and safety and a good working environment are maintained. In addition, the inclusive ethos of the school places a high priority on equality.

The Governors have arrived at the Uniform Policy through consultation and it is reviewed regularly. We acknowledge that school uniform is a significant investment for parents and we endeavour to ensure that, as primary school age children rapidly outgrow their clothes, our uniform is simple and available from a reliable stockist.

The school will make every effort to apply the uniform policy consistently and parents should expect to be challenged by school leaders where this is not the case.
