13 January 2023

Dear Principal

Due to the increase in numbers of Key Stage 4 students on roll at Hessle High School and Sixth Form College, we are proposing to expand our Sixth Form College provision in order to accommodate them as they reach the post-16 phase. This will involve the construction of a new building adjacent to the current Sixth Form College on our Heads Lane site.

This is considered a "significant change" by the Department of Education (DfE) and we are therefore consulting in line with current guidance.

This proposal will not see an increase in Pupil Admission Number for the Hessle High School and Sixth Form College.

Further information on this proposal and how to participate in the consultation can be found on the Trust website at <https://bit.ly/3FKvxRJ>, or by contacting the Trust on enquiries@consortiumtrust.co.uk

The consultation ends on the 26 January 2023 at 3pm, any comments that you wish to make need to be submitted to the email address detailed above by this date.

Yours

Ms L Lowson
CEO
